

SWELL TROOPERS DENIED WHISKEY LEAVE THE BALL

Crack Essex, of Trenton, Re-
sent Dictation and Con-
fiscation.

TRENTON, N. J., April 22.—The
Essex Troop, a swell cavalry organi-
zation, caused a sensation here last
night by withdrawing from the Tren-
ton Charity Ball because Col. Nelson
Y. Dungan, commanding the Second
Regiment, insisted on enforcing the
order of the ball committee prohibiting
intoxicating liquor in the armory.
The troop had bottles of whiskey in
the room assigned to the troopers as
quarters, and when members of the
committee requested the soldiers not to
drink in the armory it is alleged that
they refused.
Col. Dungan was appealed to, and he
insisted on the order being obeyed. Col.
Dungan later assigned Lieut. William J.
Walsh, with a detachment of guards-
men, to confiscate the liquor.
Capt. Bryant, commanding the troop,
then ordered his men to leave the ar-
mory.

ZIGZAGGING AUTO RUNS DOWN MAN AND TWO CABS

Austin Quinn, who said he was em-
ployed as a chauffeur by Henry B.
Earle, a lawyer, of No. 1 Nassau street,
was arraigned before Magistrate Butts
in the Yorkville Court to-day, charged
with assault and intoxication, while
driving a touring car on Fifth avenue
last night.

The complaint was made by John H.
Roe, a Holmes detective. He said that
shortly after midnight he noticed Quinn
driving his car in erratic fashion, at
Fifty-first street and Fifth avenue. The
machine zigzagged from side to side of
the avenue and now and then plun-
ged into the sidewalk.

Finally when Frank Stanton, a ma-
chineist, of No. 183 West Twenty-sixth
street, came along on a motorcycle
Quinn made a sharp turn and ran him
down, breaking his jaw and bruising
him badly. Stanton was taken to the
Flower Hospital. While the detective
looked after the injured man the chauff-
eur turned his car into Fifty-first
street and headed toward Madison
avenue.

He was still unable to maintain a
firm grip on the steering wheel and
plunged ahead in the same wild zigzag
course. Near the corner of Madison
avenue the car rammed two Union Club
cabs, smashing one against the fence
and completely wrecking it.

Magistrate Butts held the driver in
\$500 bail on the assault charge, which
in this case meant driving a motor car
while intoxicated.

CONGRESSMEN IN TROLLEY CRASH

WASHINGTON, April 22.—Congress-
man Tawney, of Minnesota, chairman
of the House Committee on Appro-
priations, was injured in the back;
Congressman John C. Chaney, of
Indiana, was severely hurt on the hip,
and a score of other passengers suffered
slight injuries as the result of a rear-
end collision on the Pennsylvania ave-
nue line of the Capital Traction Com-

pany at Four-and-a-half street and
Pennsylvania avenue to-day.
A heavy Mount Pleasant car was
speeding rapidly behind a Georgetown
car and the motorman of the former
claims the accident was caused by the
brakes of his car refusing to work.
Benjamin F. Olsen, private secretary
to Representative Flood, of Virginia,
was among those shaken up by the
accident. Frederick L. Trowbridge, of
Newton, Mass., manager of the New
England Conservatory of Music at
Boston, was a passenger on the George-
town car but escaped serious injury.
The accident delayed street car traffic
on Pennsylvania avenue for half an
hour.

Anty Drudge Tells Why Washboilers Are So Cheap.

Mrs. Bargain Hunter—"Oh, Anty! I see by Bargain
Brothers ad. in the papers they're selling dollar
washboilers for fifty cents."

Anty Drudge—"No wonder. Since I've told the women
of this town how much better they can wash clothes
with Fels-Naptha in cool or lukewarm water, summer
and winter, without boiling, they have no use for
washboilers. The stores can't sell 'em to women
who have learned the new way of washing, and that's
why they're so cheap."

Fels-Naptha takes the dirt out of
clothes instead of leaving it to elbow work
on a washboard.

Little rubbing is necessary and no boil-
ing or scalding.

Lukewarm or cool water—never hot.
Boiling weakens clothes and hard rub-
bing wears them out.

Clothes washed the Fels-Naptha way
last longer and are whiter, sweeter and
cleaner.

Follow the simple directions on the
red and green wrapper.
